For the written report, answer the following questions in separate typed paragraphs.

1. What was the age and relationship of your reading partner to you? What did you read to them? Describe the typical meeting: Where did you read, when, how long?
2. How did your relationship change as you went along? What did you learn about that person that you didn't already know? Has your Partner's attitude toward reading changed?
3. What did you learn about yourself that you didn't already know? How has your attitude changed toward reading, especially reading aloud?
4. What was the best thing you experienced about this Read Aloud Project?
5. What surprised you about this project?
